Balance Transfer Request

Balance Transfers are processed in accordance with your Credit Card Agreement and are subject to credit availability. If you request a balance transfer to be made, you should not rely on a balance transfer to be made by any particular date. Although most balance transfers will be made sooner, it could take up to 15 business days before payment to your other account is made. Accordingly, you should continue to make all required payments on your other accounts until you confirm that the balance transfer has been made. **Balance transfers may not exceed your available credit limit.** If you transfer a balance that contains a dispute with a creditor, you may lose certain dispute rights. When you transfer using this form, the amount transferred will be treated as Cash. Please refer to your Credit Card Agreement to determine your Cash Annual Percentage Rate. There is no grace period for balance transfers. For specific information about the costs, please call 713 844 1100.

Complete this form and return it to us. We'll take care of the rest!
